

645—63.20(157) Proper laundering and storage. All cloth towels, robes and similar items shall be laundered in a washing machine with laundry detergent used according to the manufacturer's directions. All linens shall be dried until hot to the touch. No moisture shall be left in laundered items. A clean storage area shall be provided for clean towels and linen, and a covered hamper or receptacle marked "used" shall be provided for all soiled towels, robes and linens.
